

GSA Leadership Summit 2021 Volunteer Application

The Massachusetts GSA Student Leadership Summit will take place August 13th-16th, 2021 at the University of Massachusetts Amherst. The Summit is a multi-day conference for high school students who are selected for seats on the coming school year's Massachusetts GSA Leadership Council. Complete this application to be considered for a volunteer position at both the Summit and a full year's participation in the State Council. We are looking for volunteers in regions across the state: Greater Boston, Central, Northeast, Southeast, and Western (self-selecting, but let us know if you have any questions).

The [GSA Leadership Council](#) is a project of the [Safe Schools Program for LGBTQ Students](#), a joint initiative of the Massachusetts Department of Elementary and Secondary Education and the Massachusetts Commission on LGBTQ Youth. The Massachusetts GSA Leadership Council creates and informs policy, promotes inclusive learning environments for all students, supports the development of leadership skills, and fosters statewide collaboration among LGBTQ students and allies. Council members develop and implement projects designed to make changes in local schools, districts and regions. Volunteers support this programming by attending meetings, mentoring students, and sharing their experience and knowledge with students in their regions. Volunteers are expected to participate in monthly meetings (5 State Meetings & 5 Regional Meetings), as well as planning meetings and policy team meetings, throughout the school year.

Volunteer Eligibility:

1. All volunteers are required to have completed high school or its equivalency.
2. Volunteers must be at least 18 years of age by the application submission date.
3. Volunteers must live in Massachusetts through the 2021-22 school year (preferably in the region you're applying to support).

Accepted volunteers will be expected to attend two mandatory volunteer trainings and one Regional GSA Leadership Council Meeting in June and arrive in Amherst on August 13th at 3:00 PM.

The official application must be completed in one session. The application contains both demographic information and short-answer questions. We have provided all of the application questions below. We highly recommend that you familiarize yourself with the questions and prepare your answers in advance. To officially apply to the GSA Leadership Summit and to the 2021-22 MA GSA Leadership Council, complete [this application form](#).

*The status of the GSA Leadership Summit as in person or virtual depends on Massachusetts COVID-19 guidelines and is subject to change. At this time, we are planning for an in-person event, so we expect students to be able to participate in the Summer Summit and monthly meetings in an in-person capacity.

Applications must be submitted by 5:00 PM on May 14th, 2021. Applicants will be notified regarding their status by May 26th, 2021. Please contact the Safe Schools Program by email with any questions at commission@ma-lgbtq.org.
